

**NOTICE OF PUBLIC MEETING**

**JACKSONVILLE TRANSPORTATION AUTHORITY**

**Disadvantaged Business Enterprise**

**Goals FY 2017 -2019**

Notice is hereby given that the Jacksonville Transportation Authority announces its proposed DBE goal of 19.27 percent for FY 2017-2019. Funds expended for USDOT assisted contracts are affected by this goal. The goal is exclusive of JTA's expenditures for transit vehicles. A public workshop regarding the goal will be held on Tuesday, July 12, 2016 (5:30 PM) at Florida Department of Transportation (District 2) Training Facility, located at 2198 Edison Avenue, Jacksonville, Florida 32204.

It is the intent of the JTA that this expenditure goal be obtained through a race neutral and race conscious program to the maximum extent feasible. A copy of the proposed goal statement is available for review during normal business hours at the JTA Administrative Office. Comments may be directed to Ken Middleton, Diversity & Equity Senior Manager or Dee Foster, Regional Civil Rights Officer at the addresses listed below:
