Thank you for inquiring about eligibility for ADA Paratransit Services. Enclosed is a copy of an ADA Paratransit Application form. Please read the following information before completing the application.

The JTA offers two categories of transportation: the mass transit system (city bus, Skyway, Community Shuttle and Ride Request services) and the JTA Connexion (paratransit service). The JTA's mass transit service provides accessibility features that make it possible for people with different types of disabilities to ride on its buses, Skyway trains and vans. These include: lifts and ramps (there is no need to use the steps if they cause you problems); tie-downs and passenger restraints (Driver-secured) for people using wheelchairs; stop announcements by the drivers and/or the Talking Bus automatic announcement and information systems for visually and hearing-impaired riders; and route schedules and information in alternative formats.

The JTA also offers to riders who may have a disability, receive Social Security Income or a Disabled Veteran the opportunity to ride the fixed route bus at a reduced rate. You can inquire about this program at 265-6001. In addition, if you are over the age of 65 you qualify to ride the fixed route bus for free.

The JTA Connexion is paratransit service that offers door-to-door service to eligible individuals who, due to disability, cannot access the mass transit system some or all of the time. This application is for certification to use the JTA Connexion service. This application consists of three sections: General Information; Americans with Disabilities Act (ADA) and State Transportation Disadvantaged (TD). Please be sure to fill out the application completely. An incomplete application may delay the processing and/or result in an inaccurate assessment of your abilities.

When you complete the application and have gathered any supporting documentation as requested you must call the Eligibility Office at 265-6001 to schedule an appointment for your in-person interview and functional assessment. Please turn in application to Clerk on the day of your interview!

During this assessment, you will meet with a staff member for an interview where they will ask additional questions concerning your ability to use the JTA, buses, Skyway and vans.

Following your interview you will meet with a professional Functional Assessor for your functional assessment. This assessment will evaluate your travel abilities and limitations. You must bring all mobility devices that you use to travel outside your home and dress accordingly for the weather as some portions of the assessment will be conducted outside. **Also, please bring a picture ID.** We will take your photograph to be used for an ID, if you are deemed eligible. Once the interview and assessment is complete, you will receive your determination by letter within 21 days.

Accessible versions of these forms are available upon request; Braille, large print or assistance with completing the application by one of the JTA Eligibility staff member
